Rainbow Planning Group Meeting Minutes
April 16, 2008

Roll Call: Ten members were in attendance: Art Deming, Jim Anderson, Gayle Marroco, Frederick Rasp, Craig Ohlson, Ron Trotter, Larry Pearce, Keith Flanagan, Mila Bonner & Julio Avila. Bud Swanson, Rua Petty, Rob DeRieux, Curt Nicolaisen & Al Small were absent.

The meeting was called to order at 7:00 p.m. by Gayle Marroco, Vice Chair, followed by the Pledge of Allegiance.

The minutes of the March meeting were read, and the minutes were approved with one change, and that was to change the last word to "Murray".

Open Forum:

1. Sharon Brown reported her concerns regarding mosquitoes breeding in standing water in storm drains that are not draining on Huffstatler Street at 5th Street.
2. Mila Bonner will research whom to call re: standing water. Mila will let Ms. Brown know who to call and will report next meeting.
3. Brian Lee w/ Rainbow Water along with Sarita Lemons, David Padilla and Sherry Rebueno, all with Rainbow Water requested to be on May's agenda for their proposal to replace the old water pump station located on Rainbow Valley Blvd. At Rainbow Creek Road with new pumps and house them in a small building.
4. Mila Bonner reported gates being installed at Rainbow Community Park.
5. Frederick Rasp voiced his concern regarding the ambient light from the Cross on Rainbow Peak. He requested the Cross be on May's agenda.

Election of Officers:

On agenda in error. Elections were held at the February meeting.

County Action Items:

1. Miguel Madrigal property - no action - continued
2. Community Church - no action - continued
3. Open code violations - continued
Larry Pearce reported that the county only sent a letter showing the number of violations in each category, such as Waste 19 complaints, Building 77 complaints, Storm Water 39 complaints ...
4. The amended RPG letter to Mr. Muto was unanimously approved as moved by Larry Pearce and 2nd by Art Deming.

Old Business:

1. RPG Boundary Adjustments - no action - continued
2. Liberty Quarry - no action - continued
3. Weight and size limits on vehicles traveling on Rice Canyon - no action - continued.

4. Rainbow physical environmental data - tabled for future request

Rainbow Planning Group Meeting Minutes

April 16, 2008 page 2

5. Traffic speeds on Rainbow Hts and Rainbow Crest - continued
Jim Anderson suggested that the county purchase the property on Rice canyon where the "Rice Fire" started, so "dead mans curve" could be straighten.
6. Code Enforcement - continued
7. I-15 Advisory Committee:
Larry Pearce reported that he along with Frederick Rasp and Art Deming visited the Board of Supervisors meeting in San Diego to voice RPG concerns regarding the billboard signs along Old Hwy 395, the rock sign @ west side of Mission Rd I-15 overpass & the Rainbow Cross's ridgeline location and light.
8. Community Plan - tabled
9. Road access Rainbow Hts, Crest and Valley - continued

New Business:

1. EIR Rosemary's Mt. - continued
 2. Rosemary's Mt. Monitoring of particulate matter
Larry Pearce reminded us that we supported Fallbrook Planning Groups's request for monitoring. Larry reported that the monitoring would be done by a 3rd party with penalties for violations from monetary fines to total shut down.
 3. Ground water Rainbow Valley - continued
-

Craig Ohlson announced that the **Annual Rainbow Picnic and Plant Sale** would be held **May 24th**, sponsored by Vallecitos School and Rainbow Property Owners. Volunteers are needed to help.

Frederick Rasp suggested that Rainbow Planning Group host an information table at the picnic.

Meeting was adjourned at 8:00PM

Respectfully submitted by Mila Bonner
